

## Digital Hardware Design Laboratory (DHD)

### Request for exemption from laboratory class

Institut für Technik der Informationsverarbeitung, Karlsruher Institut für Technologie (KIT)

## 1 Request

I request to be exempted from the laboratory class on ....., regarding exercise number .....

## 2 Reasons

I can't participate in that afternoon's lab class due to the following reasons:

.....

.....

.....

## 3 Rework

The contents of this class must be re-worked immediately. This comprises the descriptions directly pertinent to the exercise as well as additional and / or informational papers.

The participant has to work through this specific exercise on ..... in the course of an additional joint lab class for all reworkers. There is no right to support from tutors or assistant teachers for this additional joint class. The results are to be demonstrated and explained to the assistant teachers.

## 4 Important Notice

I have notice of the fact that I will be **excluded from the final examination** if I fail to participate in the additional joint lab class.
